National Handloom Development Programme - Lighting Unit

Schemes Details

Department	Industries & Mines Department
Objective	In order to make handloom sector more sustainable, organized and competitive against machine made fabrics and also provide an assured market and better price for their product, this programme has been developed
Purpose	providing Lighting Units under the National Handloom Development Programme (NHDP) is to improve the working conditions of handloom weavers by ensuring reliable lighting, particularly in areas with inadequate electricity. This boosts productivity and supports sustainable practices through solar-powered systems.
Benefits	increase productivity by allowing weavers to work longer hours with reliable lighting. They also promote sustainability by providing solar-powered solutions, reducing energy costs and improving working conditions.
Eligibility	This scheme is only for the weavers who are identified in the BLC
Documents Required	Aadhaar Card Weaver's Registration Certificate Proof of Residence Bank Account Details Photograph Caste Certificate
