National Mission on Edible Oils – Oilseeds (NMEO - OS)

Schemes Details

Department	Agriculture, Farmers Welfare
Objective	To achieve atmanirbharta in edible oils by reducing import dependence through boosting domestic oilseed production, closing yield gaps, and enhancing farmer incomes sustainably.
Purpose	To expedite notification of state-specific seed varieties with support from ICAR, CAUs, and SAUs to ensure wider availability of assistance and adoption.
Benefits	Enhances domestic oilseed production by supporting farmers with quality inputs, improved technology, and infrastructure to reduce edible oil imports and increase incomes.
Eligibility	Farmers, farmer groups, cooperatives, and state agencies engaged in oilseed cultivation and related activities as notified by the Government of India are eligible under the NMEO-OS scheme.
Documents Required	Identity proof, land ownership/lease records, bank account details, Aadhaar card, and other documents as prescribed by state authorities.
